Attendees; John, Bob, Stuart, Don and Ed. With various none-committee members in attendance.

Apologies; Trevor

1. Membership

Same clubs as last year.

There are always rumours of clubs closing for housing but for the foreseeable future the Famous Five will remain as we are.

2. Constitution

Thanks to Don for his League Chair/Coordination in 2025/6. Ed Flack, of Milford, takes over for 2026/7 Season.

So will all Club Managers send their results to Ed who will collate on a spreadsheet, pass on to John who will then update the website.

3. Rules

It was agreed that should one or more clubs draw at the end of the season, the winner will be the team who's total scores between the drawing clubs is the larger.

Should those scores still be equal the overall result will be a draw acknowledged as such on the trophy.

4. Season end date.

Chichester, as the 2025/6 Winners will host the 2026/7 End of Season Bash on the 18th March 2027.

It was recommended that as many matches as possible is played before Christmas to give flexibility for postponements.
