Peripatos GS is meant to be a fun day out for all. A number of players just play with the society or elsewhere for fun I have therefore reviewed the scores returned by those members in 2016 and made some adjustments. That has not changed the result of the team competition although it has their individual scores.

An oversight by me was that John Slocombe has a 2 shot reduction to be applied from 2016. I have made that change to his score, therefore the reductions will be to Bill and Gavin. John escapes and next time has just a 1 shot reduction to his handicap.
